MEMORANDUM FOR HQ AFRC/CV  
HQ ARPC/CC

FROM: HQ USAF/RE  
1150 Air Force Pentagon  
Washington, DC 20330-1150

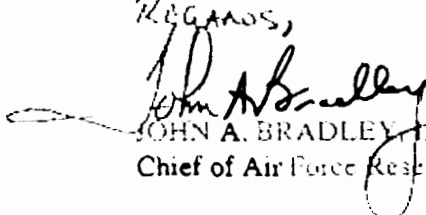

SUBJECT: IDT Policy for Individual Mobilization Augmentees

This memorandum modifies the 1 Oct 03, IDT policy for Individual Mobilization Augmentees. While it is expected our IMAs will participate on a quarterly basis to maintain viability and visibility within their active duty units, the loss of flexibility in mandating such a policy has shown no substantive improvements in budgetary control or IMA readiness.

Under the revised reporting requirements, supervisors and IMAs will have the flexibility to schedule their IDT requirements as best fits their needs within the first three quarters of the FY. There will, however, be a limit on IDT participation in the 4<sup>th</sup> quarter of not more than 8/16 IDTs, respectively (24/48 IDT requirement per FY). ARPC/CC is the approval authority for all waivers to this 4<sup>th</sup> quarter limitation.

As always, there remains the requirement for the IMA to develop an annual schedule of IDT training periods with their supervisors and/or Program Managers in advance of each upcoming fiscal year. All IDT periods must be approved in writing by the member's supervisor with an information copy to the appropriately assigned Program Manager, in advance of performing any IDT period. This change will be reflected in the next revision of AFMAN 36-8001, *Reserve Personnel Participation and Training Procedures*.

REGARDS,

  
JOHN A. BRADLEY, Lt Gen USAF  
Chief of Air Force Reserve
